Friday, 09 March 2012 17:35 - Last Updated Thursday, 03 January 2013 12:02

Online courses are now offered for the state of New Mexico. CTN has been approved for one general credit in each of the 22 courses. Completion of all credits must be accomplished by December 31 of each year. You must have 4 General Credits in most categories. More credits are required for category specific termite and wdi inspectors. These applicators must have 4 ceus in the termite specific category.
